Episode 25

By the way
Mami!!

What did
you come
here for?

What,
what,
hey ID

You
know

I would have
complex
feelings

You never were
involved in a
single romantic
relationship

On your
side?

To see
how my
mother is
doing

Er

and the other
looking for
a job here
though

Don't
forget that I
should check
up on you

Well I guess I'll look for a hotel or somewhere to stay at

Since hotel rooms cost quite a bit,

I'm planning to stay in the city for about a week...

You won't have to worry about food here, you know?

Oh, but

Wouldn't that be trouble-some?

...Would you like to stay at our place?

Your
previous
place was
properly
furnished,
right?

I am
not
sorry

Are you
not getting
paid by any
chance?

See.

When I do the
housework I just
use this family's
stuff so

I threw out
some other
stuff when
I was moving
out of there,
too

That place was
something like a
company's dorm
so it was pretty
well furnished

He? That he just looks pomp?

Who?

Hao?

Such a pretty scene indeed.

Junkun-sensei

!?

.....

Morning,
Akemi.

Do we
have a
guest?

Oh?

Gender is
female so
nothing to
worry about!

Stop
right there!

Put
some
clothes
on first!

Yes, that
means I
should go
see her!

Is that
right?

Oh,
is she
pretty?

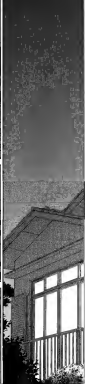

Harumi-sensei
didn't come
to visit.

Ah...
Mhm...

It seems that
she needs to
stay home for
a week...

Oh
right.

Oh?

Um...

Where was the bathroom again?

Good morning.

Morning-noon? Good morning to you too.

The Bathroom?

MISORA!

Oh?

All the way off...

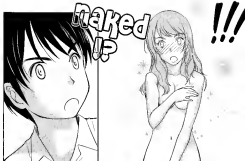

SHIT-SHIT, DON'T LOOK THIS WAY!!

Aa... Sorry, Mmm...

.....

THEY MAY APPEAR TO SHOW DIFFERENT APPEARANCES,
BUT THEY SHARE THE SAME TRAIT

What you really decide on is somewhat for the competition in your future..

Oh

I sometimes do that pretty often..

It all felt the same since I was thinking too much.

Huh? (thought what) and was pretty straight-forward though?

I'm so

IT'S DELICIOUS!!

But
the taste
is strangely
different from
before, no?

A
girl?

Which girl
made your
taste?

Get
off my
case!

And...

It's
definitely
not your
flavoring

I taste
a subtle
difference to
Marum-san's
flavoring

Really?
That's a
relief!

Thank
you very
much.

The
lunch was
delicious.

Miscon-

Although
she's not

the lunch

Oh-

They
are so
much of it; I
actually had
just barely
enough to
eat...

Even my
friends
praised
how good
it was.

I was
verry
it didn't
get your
taste.

I do this
because I
like it. So
don't worry
about me.

To have
you do an
extended
amount of
work when
you're
back...

Sorry
to hear
you do
this.

Then shall
I make you
another one
tomorrow?

Aren't
you going
to eat?

Lunch was
extra-special!
but this is on
a whole new
level.

Wow!

Thanks!

It seems
she made
enough for
all of us.

Enjoy.

Did you
get that
affectionate
look from
the younger
sister?

So it's
that
woman who
met by their
stomachs,
huh?

IT'S GOOD!

Geez...
Here
you go.

We need
pictures
of her!

"bakuhatsu!"

It's all sleeping

I'd like to wonder about

What do you think of that?

はわわわわ

.....

But just if we were the company her boyfriend and don't try to come here in search for work, she's got to have a family

She doesn't look bad on the outside. She's good with housework and attentive to others too

Don't get tricked, Jun-kun

Sounds like
